Dream$avers Individual Development Account Program

FINANCIAL INSTITUTION CHOICES

Date: _____

Participant's Name: _____

The financial Institutions that we utilize for our Dream$aver accounts are:

____ **US Bank**
____ **Northwest Community Credit Union (NWCU)**
____ **Pacific Crest Federal Credit Union (PCFCU)**
____

You will be provided with an authorization to open your account.

Your account must be opened within 30 days of receiving the authorization.

If for some reason you are not able to open your account in this time frame, please contact your IDA Specialist.

You need to be prepared to make your first deposit when you open the account. Please take your ID and funds for your first deposit. For participants under 18, an adult must accompany you that has signing authority for you, and they must have some form of state ID. When you go to open your account, remember that some branches have specially trained people who only handle these accounts, so please be prepared to be patient if no one is immediately available or require you to make an appointment.
